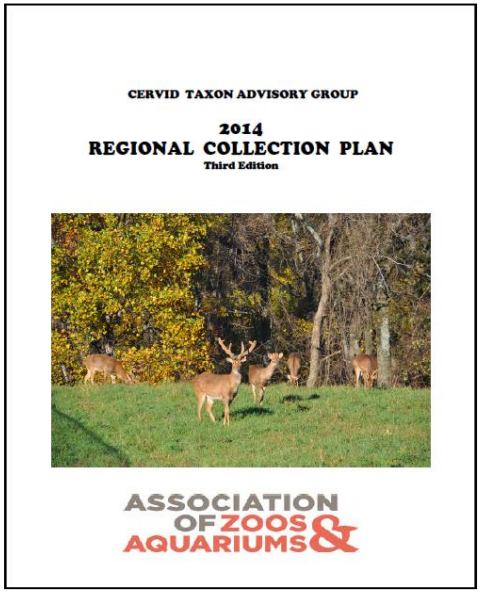
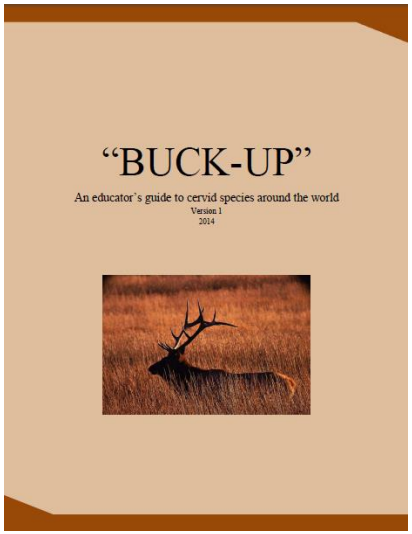
Publications

- Regional Collection Plan (RCP)
  - Last updated 2014



- Buck Up - An Educator's Guide to Cervids



2016 Goals

- **Connect with program leaders & advisors**
  - What are program issues & goals?
- **Take a closer look at all program species**
  - What are the needs?
  - Imports possible? Global partnerships needed?
  - What are in private facilities? What are populations doing in EAZA?
- **CWD challenges**
  - Have information available for facilities with questions
  - State import regulations- Send them to me if you have them please!
- **Contact IUCN Species Specialist Group**
- **Conservation programs, Stewardship opportunities**
- **Update TAG page on AZAUngulates.org website**
